Quality Policy

It is the policy of Band-it Co. Ltd. to manufacture steel strip products in accordance with the appropriate national and international standards, statutory and regulatory requirements, codes of practice and customer or company specifications.

To demonstrate, to both customers and staff, the Company's commitment to quality, it is the policy of Band-it Co. Ltd. to operate a management system in accordance with BS EN ISO 9001:2000 and to continually improve the effectiveness of this management system.

Senior Management Personnel shall ensure that the Quality Management System is communicated and understood throughout the organisation and that measurable KPIs are defined and established.

All Company personnel shall comply with the requirements of the Band-it Co. Ltd. management system and when possible shall consider improvements that can be made to the system and to the service provided to customers.

Signed.....
David Carter, (Managing Director)
